THE LOCK HOSPITAL AT HYDE PARK CORNER IN THE TIME OF WATERLOO, 1815. TOTAL NUMBER OF BEDS IN 1815, 78.

The building shown here was erected in 1746 and opened on January 31st, 1747, with 30 Beds. It owed its inception to Mr. William Bromfield, Surgeon to T.R.H. Prince and Princess of Wales, who, realizing the great necessity for a special Hospital for Venereal Disease, called together some charitably disposed gentlemen, who formed themselves into a 'Society for erecting and supporting by voluntary contributions a Hospital called the Lock Hospital,' at Hyde Park Corner.

One Hundred and Seventy-Ninth REPORT

OF

The Board of Management

For the Year ending 31st December, 1925.

The Board of Management in presenting the Annual Report of the Hospital and Home record with thankfulness that the blessing of God has continued to rest on their labours.

It is again most pleasing to record the continued interest of H.M. Queen Mary in the Hospital. Her Majesty sent a gift of wild flowers in May for the Wards. H.R.H. Princess Louise, Duchess of Argyll, sent a special donation to the funds in June.

H.M. Queen
Mary.

At the first Meeting of the Board after the Annual Meeting, Mr. J. F. W. Deacon, M.A., D.L., J.P., was unanimously re-elected Chairman, and Lord Kinnaird Deputy-Chairman.

Election of
Chairman,
Deputy-
Chairman
and Visiting
Governors.

Lord Kinnaird, Mr. Arthur H. Habershon, Mr. Wellesley H. Robinson, and Major S. Strang Steel, M.P., were re-elected Visiting Governors.

In referring to the Visiting Governors, it is interesting to record that one of their number (Mr. Arthur H. Habershon), has now been a member of the Board and acted as Visiting Governor for over 26 years.

In May, the Board were glad to welcome Brigadier-General W. Ewbank, C.B., C.I.E., as one of their number.

New Member
of the Board.

The Institution sustained a great loss in April by the death of the Rev. J. C. Stephens, M.A., who for over 15 years had acted as Chaplain of the Hospital and Home, and Chairman of the Ladies' Committee. The Rev. Dr. Downer, M.A. a former Chaplain, kindly undertook the

duties of the Chaplaincy until the appointment in October of the Rev. G. C. Rubie, L.Th., Incumbent of St. James's Church, Ryde, I.W., and a former colleague of the late Rev. J. C. Stephens.

Resignation
of the Senior
Surgeon, J.
Ernest Lane,
Esq., F.R.C.S.

The Governors and Subscribers will no doubt recollect that reference was made in last year's Report to the hope that Mr. J. Ernest Lane, F.R.C.S., the Senior Surgeon, would be able to return to his duties at the Hospitals. But this hope was not fulfilled, the severity of Mr. Lane's injuries rendering his return impossible, and he tendered his resignation at the end of the year. The Board at their Meeting, December 17th, passed the following Resolution:

Resolved—

"That this Board having heard the letter addressed to the Chairman from Mr. J. Ernest Lane, resigning his position as Hon. Senior Surgeon, owing to his prolonged illness, resulting from his serious accident in November, 1923, accept the resignation with deep regret.

"The association of Mr. Lane's family with the Hospital dates back to 1846, his father and great-uncle having held the position of Hon. Surgeon before him, while Mr. Lane himself commenced his connection in 1878, ultimately rising as they did, to the highest post on the Staff. The Board in grateful remembrance of this long family record, desire in particular, to place on their Minutes an expression of their deep appreciation of the great services Mr. Lane has rendered:

(a) To the Public in his professional treatment and work in combating Venereal Diseases, and the valuable help he gave when serving on the Royal Commission of 1913.

(b) To the Hospital and Home, both as Hon. Senior Surgeon and Member of the Board of Management.

"The Board desire once more to assure him of their heartfelt sympathy in his personal suffering, as well as its cause which has led to his resignation. They would seek to retain his connection with the work he has loved so well and served so faithfully by asking him to accept the post of Hon. Consulting Surgeon to the Hospital."

Mr. Charles Gibbs, F.R.C.S., whose interest in the Institution has extended over 29 years, became Senior Surgeon, and the Board think it only fitting to refer to the important Trust Fund inaugurated by Mr. Gibbs, who presented £1,050 for this purpose and has since made further gifts to this Fund.

**Charles Gibbs,
Esq., F.R.C.S.**

At the close of the year the Board received with feelings of great regret the resignation of Dr. Sydney Phillips, M.D., F.R.C.P., Hon. Physician to the Male and Female Hospitals since 1889.

**Dr. Sydney
Phillips.**

Dr. W. Cecil Bosanquet, M.D., F.R.C.P., Senior Physician to Charing Cross Hospital, was unanimously elected his successor at a Quarterly Court held on January 21st, 1926.

The congratulations of the Board were extended to A. Lawrence Abel, Esq., M.S., F.R.C.S., one of the Hon. Surgeons to the Hospital, on winning the Jacksonian Prize.

**A. Lawrence
Abel, Esq.,
F.R.C.S.**

The Medical Committee having reported that an additional Hon. Surgeon to Out-Patients was necessary, the Board appointed Miss Esther Rickards, M.S., F.R.C.S., as temporary Women Hon. Surgeon with charge of a clinic for Women at Dean Street, and one on Saturdays at Harrow Road.

**Additional
Hon. Surgeon
for Women.**

Miss Gladys M. Sandes, M.B., B.S.Lond., M.R.C.S., was elected Surgical Registrar at the Harrow Road Hospital, and Henry Corsi, Esq., F.R.C.S., as Surgical Registrar at the Male Hospital.

**Surgical
Registrars.**

The Annual Match, Amateurs v. Professionals, in aid of the Lord Kinnauld Memorial Fund, took place on 4th May, 1925. The Medals to the winning team were presented by Colonel and Mrs. Johnston Abraham as representing the Hospital Board. These matches arouse the greatest interest, and the Board are much indebted to Mr. Henry Huband, the President, and other members of the Association for their help and interest in this connection. The amount raised by this match was £208 14s.

**London
Football
Association.**

Early in the year a very important Report was presented to the Board by the Medical Committee drawing attention to the serious lack of space and overcrowding in the Out-Patient Department at Dean Street.

**Proposed
Extension of
the Lock
Hospital and
Female Out-
Patient
Department.**

The Board immediately appointed a Special Committee consisting of Lord Kinnaird, Mr. Arthur H. Habershon, Mr. Chas. Gibbs, F.R.C.S., and Brigadier-General W. Ewbank, C.B., C.I.E., to confer with the Architects, Messrs. Saxon Snell and Phillips, and draw up a report on several sites submitted as suitable, and adjacent to the present Hospital. This Committee presented its report in June to the Board, who unanimously adopted the Committee's recommendation, and with the help of a munificent grant from the Trustees of the late Peter Coats, Esq., purchased the adjacent site with frontage on Great Chapel Street, Soho. The scheme for extension was submitted to the King's Fund, and a deputation from the Hospital Board attended a meeting of the King's Fund Distribution Committee on December 7th, and explained the working of the proposed extension. Later the Board heard with feelings of deepest satisfaction that the King's Fund proposed to grant £2,000 towards the Extension Fund. This promise, together with a generous gift from H. Percy Shepherd, Esq., C.C., from his late father's estate, emboldened the Board to go forward at once with the extension, and plans are now being prepared by the Architects for submission to the Board with a view to commencement of work in the spring of 1926.

**Dean Street
Extension
Appeal**

The amount required is estimated at £20,000, towards which it will be seen the Board have received in generous gifts and promises about £12,100. It is earnestly hoped that the subscribers and donors will come forward and provide the balance required, viz., £8,000. The crowded state of the evening clinics for men and women at Dean Street, points to the urgent necessity for provision of more space to secure privacy of examination for the patients.

In this connection, the Board wish to thank Col. L. W. Harrison, D.S.O., M.B., for his kindness in permitting the Secretary and the Architect to visit his clinic at St. Thomas's Hospital, and for the advice and help tendered on that occasion.

The Medical Committee also recommended that Genito-Urinary diseases, so intimately and closely allied to Venereal Diseases, should in future be treated at both the Male and Female Hospitals. To this the Board agreed, and provision is being made to use part of the new extension for this purpose, and also provide a Genito-Urinary Unit at the Harrow Road Hospital.

FEMALE HOSPITAL.

The Board are grateful to members of their Ladies Committee for their work on behalf of the Female Hospital, and are pleased to welcome representatives of the Ladies Committee at their monthly visit to the Board, in order to confer with them on matters arising out of their Minutes. The Ladies' Committee report as follows:--

"The Committee has continued its work throughout the past year. It is with great satisfaction that Miss May reports a record year of work and that almost without exception the girls that have passed through her hands have done well, proving that the good influence in the Hospital has borne fruit. The patients speak with affection and gratitude of the care they received while there, and out of eleven placed in other Homes in 1925, only one has failed, the rest are doing well.

"In the Home, although the girls are more difficult and of a lower class than formerly, there has been much encouragement in those who have gone into service. They express themselves as having been happy in the Home, and often return to visit Matron.

"The Ladies' Committee have sustained a great loss in the passing away of the Lady Agnes Anderson; her experience and sympathy have been of great help in their often difficult work.

"The Needlework Guild started last year has supplied many patients with much needed garments. New members will be welcomed."

Miss Ruth Darwin, Commissioner of the Board of Control, inspected this Department in December, and Mrs. Drapper and Dr. Ethel Benthām, County Sessions Visitors, visited the Unit in August.

**Mental
Defectives'
Unit.**

It is pleasing to record that one young woman, discharged cured from this Special Unit, is now employed in domestic service.

These patients are amongst the saddest treated in the Hospital, and make a strong claim on the sympathy and support of the benevolent.

The Annual Prayer Meeting was held on March 17th, at 3 p.m., and was presided over by Mr. J. F. W. Deacon, Vice-President and Chairman of the Hospital and Home. Brigadier-General W. Ewbank, C.B., C.I.E., gave a very helpful address.

**Annual Prayer
Meeting.**

**Maternity
Department.**

Arrangements have been entered into with the Salvation Army Mothers' Hospital, at Clapton, to exchange nurses for training for the C.M.B. Certificate. 78 babies have been born during the past year in this Special Department. Such work is of vital importance to the nation at the present time. Since the Maternity Ward was started a few years ago, no less than 597 babies have been born in it, of whom 517 have been born free of V.D., owing to the special treatment afforded.

**Wireless for
Hospitals'
Fund.**

The thanks of the Board of Management are tendered to the *Daily News* Fund for providing wireless for Hospitals, and to all who so generously helped that fund, by which a wireless installation has been placed in every ward and the Nurses' Home, at the Harrow Road Hospital.

**The Lock
Chapel.**

Towards the close of the year, the Board appointed a Committee consisting of Mr. Arthur H. Habershon, Major Strang Steel, M.P., and the Secretary, who in conjunction with two members of the Ladies' Committee and the Rev. G. C. Rubie, the Chaplain, drew up a report on various repairs and alterations necessary in the Lock Chapel. These proposals include the removal of the existing organ and old galleries, redistribution of the seating accommodation, entire redecoration of the building, and new and better lighting facilities. The estimated cost is about £2,000. The alterations will allow of better and more comfortable seating accommodation for the girls, who will now take their places at the west end of the Chapel.

The sum required, together with £2,000 needed for redecoration of the Female Hospital and Home and the extension to the Male Hospital, means that £12,000 at least must be raised this year, in addition to obtaining funds for the ordinary maintenance of the Charity.

**Repairs to the
outside of the
fabric of the
Hospital and
Home.**

It will be remembered that reference was made to the need for repairing the fabric in last year's report. Encouraged by the support at first received, the Board proceeded with this work, but towards the middle of the year, the amount raised was exhausted in paying the contractors, and a serious position had arisen. At this critical juncture, a Governor of the Hospital, who wishes to remain anonymous, offered to give a £1,000 if the Board raised a similar amount in a given time. A magnificent response was made to this offer, and the amount required was quickly collected, owing to the action of this generous friend of the Charity.

His Worship the Mayor of Paddington (Mr. Councillor Leonard T. Snell, J.P., F.I.A.), visited the Hospital on Christmas Day, and distributed the presents to the children and girls. The visit afforded much gratification to the Board, and was a source of particular pleasure to both patients and staff.

**Christmas Day
Celebrations.**

Mr. Alderman Stanley Crosse, J.P., the previous Mayor of the Borough of Paddington, who inaugurated these Christmas visits, kindly allotted £170 from his special fund to the Hospital and Home, and has been elected a Life Governor.

The Female Hospital was inspected this year on June 17th by Claude H. Frankau, Esq., C.B.E., D.S.O., F.R.C.S., and Sir Leonard Lyle, Visitors of the King Edward's Hospital Fund, and were conducted over the building by Arthur H. Habershon, Esq., Chas. Gibbs, Esq., F.R.C.S., and the Secretary.

King's Fund.

Amongst the visitors to the Hospital during the past year were members of the Association of Inspectors of Midwives who attended the demonstrations in the Wards and Out-Patient Department; the Paddington Women's Local Government Association, who expressed themselves as most pleased with all they saw; and Mrs. Wisen, Director of Women's Work in Sweden, and several members of the Birmingham Board of Guardians.

Visitors.

The Hospitals were represented this year at the Conference in Manchester by the Secretary, Mr. H. J. Eason, F.C.I.S.

**British

THE HOME.

During the past year 21 girls have been admitted into the Home after certification by the Hon. Surgeons. Of these

and a former inmate has been given salaried employment in a minor capacity in the Home.

During the year more additions have been made to the equipment, and a collar and shirt machine and washer have been installed.

Laundry.

The Visiting Governors presented a report and recommendation with regard to the remaking of the roads in the grounds, and this work is being proceeded with in the New Year.

Roads.

**Rewards to
former
Inmates.**

The Ladies' Committee have inaugurated a system of awards to those who have passed through the Home in order to encourage them in their new life. Any girl who remains in her situation for one year and gives satisfaction to her mistress is given a reward of one guinea, and a second guinea is given after two years' service. The gift is again repeated should the girl remain over five years, an occurrence which is not infrequent.

**Classes for
the Inmates.**

Temperance and singing classes are regularly held in the Home, and physical exercises are given under the direction of a qualified instructor.

**Wireless
Installation.**

The thanks of the Board and Ladies' Committee are tendered to the *Daily News* Wireless Fund for the splendid installation placed in the Home.

Laundry.

The greatest need in this department is for more private customers, and subscribers are earnestly asked to apply to the Secretary for a Price List, as washing for private families can be done at rates which compare most favourably with outside laundries. Moreover the work is collected and returned without delay by our own motor van.

MALE HOSPITAL.

**Daily
Clinics.**

The last year has been a heavy one at the Male Hospital, the total number of Attendances amounted to no less than 90,041. The system of conducting each clinic with two clinical Assistants working under the direction of a Member of the Hon. Surgical Staff has enabled this large amount of work to be expeditiously carried out. But the vital need at the Male Hospital is additional space for examination purposes, and to secure more privacy in the work. This point will be amply met when the new extension is completed, particulars of which are set forth on page 6 of this Report.

**Missionary
Work.**

The work carried on at the Male Hospital by the Hon. Surgeons is of vital importance to the community, and yet is hard to explain and appeal for; but its work in stamping out "the hidden plague" is of intense and vital importance,

not only to the community at large, but to the wives and children of those who come daily to the Hospital for treatment. The Wards are regularly visited by the Chaplain, the Rev. G. C. Rubie, L.Th., and a London City Missionary comes daily and is well received by the In-Patients who listen to his exhortations. Much good is accomplished and every effort is made to help those who not only desire to be restored to comparative health, but to be emancipated from habits which ultimately degrade and destroy all who come under their power.

The Pathological and Research Department has continued its important work under the able direction of Major William Victor Corbett, M.R.C.S., D.P.H., R.A.M.C. (Ret.), and Research Work is conducted here by Mr. J. E. R. McDonagh, F.R.C.S., who has been an Hon. Surgeon of the Hospital for sixteen years and is now a member of the Governing Body. They are assisted by Dr. A. R. Berrie, M.B. 10,725 tests were conducted in the department during 1925, this being the largest number since the Department was started in 1914. The manufacture of Lock Hospital non-toxic Vaccine for the treatment of Gonorrhœa reached a total of 4,755 c.c.'s. Further redecoration and equipment of the Department was carried out during 1925, and the Board are indebted to Major Corbett for securing gifts towards the cost of this work.

**Pathological
Dept.**

During the year members of the Inter-State Post Graduate Association of U.S.A. attended the clinics, and a visit was received from Dr. Ricardo, a Medical Officer of the Spanish Army.

Visits.

In conclusion, the Board earnestly appeal for continued support and help for a work which is second to none in its Christian usefulness. The coming year is fraught with many anxieties for the London Lock Hospital and Home, yet it is felt that the success of the past year bodes well for the future of this very old established Charity. The Governors and Subscribers are asked to pause and think, what a really wonderful work has been carried on at the Institution since 1746. Previous to that date there had been Leper Houses, and the name "Lock" for these Institutions was in use as early as the XIIIth century, but the need for more accommodation of this character became very marked, and led to the foundation of the London Lock Hospital in 1746 with accommodation for 30 patients.

During the 180 years of the Institution's existence every care has been taken to prevent the Charity from operating as an encouragement to vice, and no patient is ever discharged from its wards without arrangements being made either for their transfer to our Home or some other suitable environment. The evil with which the Hospitals and Home are seeking to grapple is so insidious in character that it is not possible to provide details, and thus it is felt that too often the claims of the Charity fail to arouse that sympathy to which the work is entitled. The patients are to a considerable extent drawn from a class for whom even in these days little provision is made after the first symptoms of their disease has disappeared, and this period our Hon. Surgeons inform us, is the vital time at which to bring pressure to bear upon those under our care to continue their treatment. The Lock Hospitals, with extensive accommodation for In-patient treatment for both sexes, provides just the right environment for continued treatment so strongly advocated as the necessary corollary to completion of cure. There is a reason to hope that to many, their stay in the Hospital and Home, is a great blessing, and certainly in these times with unemployment rife in our country, it cannot be conducive to the well-being of young women afflicted with these woeful diseases, and in many cases out of employment, to be only attending an Out-Patient Department. Far better to be in comfortable surroundings with skilled Medical and Nursing Service available, until ready for discharge from the Institution.

At the Male Hospital and Female Out-Patient Department in Soho and Harrow Road, the staff make every effort to induce the young woman attending the Clinics to enter the Female Lock Hospital for continued treatment, and where this is found impossible, the Sisters and Workers advise and help them in every way in their power. The Board feel the Charitable Public must be aware in these days of publicity and instruction of the effects of Venereal Disease on the unborn as well as on the living, and they are earnestly asked to consider sympathetically the claims of this National Charity in the coming year and to stretch forth a helping hand to the Board of Management and Hon. Surgeons to aid them in their efforts to obtain moral reformation as well as physical well-being for those committed to their charge.

The Board of Management desire to tender their grateful thanks for the following Special Donations and Grants :—

CHAPLAIN'S REPORT.

The short time during which I have been Chaplain of the Hospital and Home makes it impossible for me to report from my own experience very much concerning the spiritual work of the Institution. For the first few months of the year, our dear friend, Rev. J. C. Stephens, M.A., continued his earnest and faithful ministry, but was called to Higher Service in April, and his removal has meant a great loss to the work. Then a former Chaplain, Rev. A. C. Downer, D.D., ably undertook the duties for six months, until my own appointment as Chaplain in November last. The work is not altogether new to me, since it was my privilege some ten years ago, to work as Curate to the late Chaplain. It is my earnest endeavour, by God's grace, to carry on the work on the same spiritual and evangelical lines, believing there can be no real reformation of life and character, apart from the Saving Power of Jesus Christ, and the Message of Hope and encouragement which the Gospel alone can bring.

The work is full of tremendous opportunities for spiritual activity and I am indeed fortunate in having such whole-hearted helpers as those appointed by the London City Mission and the Evangelization Society, whose one object is to bring the patients into living touch with Christ Himself.

Female Hospital.

Services are held in the Wards on Mondays, Tuesdays, and Fridays, and on Sunday mornings and afternoons, the patients of all the Wards, if able, attend a United Service. The attention given at these services, and the testimony to the help they are to the patients, are most encouraging to those whose privilege it is to carry on this work. The work of the Hospital is of a most varied kind, and in this I am thankful for having such a helper as Mr. C. W. Best.

(a)—*Maternity Section.* During the year 83 children were born to both married and unmarried women, many of whom express gratitude for the benefit they have received. There are also 20 cots in the Babies' Ward all of which are usually occupied.

(b)—*Children's Ward.* The ages of these little ones range from one to twelve years, and it is a pleasure to see how happy they are in the midst of their toys, under the loving care bestowed upon them by those in charge. There is also a Kindergarten Class arranged for them, where they are taught lessons by Miss Knox who is a devoted honorary worker.

(c)—*London and Cambridge Wards.* These contain women who either come of their own accord for treatment, or are sent here by other Institutions. Some are in a very hopeless condition, but others respond to the efforts of the workers through the power of the Gospel, which has its effects in changed lives.

The Home.

This is for those Patients of the Hospital who desire to be trained for situations in Domestic Service, etc., and so it will be seen that they are really desirous of going out into the world and living useful lives. Every encouragement is given them in the Home, and the number of good conduct badges won by girls, testify to the fact that efforts on their behalf are not in vain. They attend the services on Sundays and Wednesdays in the Lock Chapel, and enter heartily into the singing and the prayers. I also hold a weekly service for them on Thursday evenings in the Home, which the Girls much value and appreciate.

Lately, eight of these girls were baptized by Dr. Downer upon their profession of faith in Christ, and later prepared by him for Confirmation by the Bishop of Kensington, who very kindly arranged a special Service for the purpose. They were afterwards admitted to the Lord's Supper.

We constantly meet with cases of girls who have been in the Home, but are now doing well in various situations which they hold.

The following is a somewhat touching instance shewing the blessing that is attending the work of the Home. At the close of the week-night service in the Lock Chapel recently, a young woman, who was formerly an inmate of the Home, stayed behind, and told me that out of thankfulness to God, for the fact that she is now happily placed in service, in which her employers, knowing her past, treat her with so much kindness and consideration, she wished to make a Thankoffering to Him every month out of her wages. She then handed me a note for 10/-, her first monthly payment to some aged necessitous widow, chosen by myself, in the hope that it would make things a little easier for some poor soul in the eventide of her life. She further remarked, that she often thinks how wonderful it is, that remembering her past, she can now lift up her heart to God as her Father, in thankfulness for His mercy toward her.

Men's Hospital.

At Dean Street, Mr. Ireson carries on a daily ministry amongst the patients, many of whom come from various parts of the country, and we may say, of the world. In conversation with the patients myself, I find that he is a real help to them from time to time, and although some of the cases are sad in the extreme, yet he is able to bring home to them the claims of Christ upon their hearts and lives.

At Dean Street there is also an Out-patients Department for Women, and here Miss Coghill, the Assistant Matron of the Home, as time permits, conducts informal services amongst the patients, and endeavours to help them in personal conversation.

Miss May too is continually engaged in valuable personal work amongst the women, thus exercising with them an influence for good, and sparing no pains to find suitable situations for them upon leaving the Home, and what is so important, continuing to keep in touch with them.

I take this opportunity of tending my warm thanks to the kindness I have already received from the Matrons and Staffs of the Hospitals and Home, and also to the loyal support and service of all those who, with me, are engaged in the spiritual part of the work.

G. C. RUBIE, L.Th.,
Chaplain.
